

**SALESIAN COLLEGE CELBRIDGE
FINANCIAL ASSISTANCE TOWARDS THE RETURN TO
SCHOOL COSTS
2017-2018**

Dear Parents / Guardians,

The school is in a position to offer financial assistance to parents / guardians / families towards the costs associated with students starting in a new school and returning for a new school year. As a school we are happy to offer this assistance as a result of the allocation from the Department of Education & Skills we received this year towards such costs. I would like to invite parents / guardians to apply for this assistance. Please fill in the form below and return in an envelope addressed to me Ms. Kearns, School Principal. I assure all applicants that the provision of this assistance is discretionary, discreet and confidential. As a school we understand that all families, regardless of what may be considered as “status” find this time of year an expensive one. It is important that all requests are genuine and I kindly advise that there is no “automatic” entitlement to this assistance. I trust this is in order and as a school we are happy to assist if we can.

Is mise, le meas,

B. Kearns,

Principal.

Deadline for all applications Friday 25th August 2017
