

Transition Year Students 2019-20

ECDL & Graduation

Dear parent/guardian

There are several students who did not get to complete their ECDL course during the last academic year. I am keen for these students to have access to teaching and testing as soon as possible. It is our plan that these students will attend the afterschool classes on a Tuesday and Wednesday until they have completed the course. Only then will the current TY students be offered the afterschool classes. The preparations for our return to school are intensive. When school life has settled down, I will invite your sons to these classes. It is envisaged that the course will be complete by the October mid-term break.

We are planning a TY Graduation, to take place within school time during the month of September. Due to Covid restrictions parents of students will be not be present in person but it is our hope to live-stream the event. We will confirm the date once our return to school has settled and our routine is smooth.

Kind regards

Ailish O'Toole

TY Coordinator
