

SALESIAN COLLEGE
Celebrating 40 Years of Education in Celbridge
5th January 2022

Important letter for all parents, guardians, and students – please read carefully

School reopening Thursday 06-01-2022

Dear Parents & Guardians,

We look forward to welcoming back all our students tomorrow.

We are conscious of the high levels of Covid-19 in the country due to the omicron variant. The expert advice is that this variant is highly transmissible so we must double our efforts to ensure the safety of all our students and staff.

I remind all students that they must have their own hand sanitizer and spare masks in their bags and bring their own lunchbox to school. This will be checked tomorrow morning.

All students will be reminded to clean their desks, wear their masks properly and to adhere to the one-way system in the school. We acknowledge the excellent cooperation of our students with these systems and have every confidence that this will continue this new term.

The school will do everything it can to ensure the school remains open and we thank in advance all our students who may have work assigned to them in classes where teachers are absent.

I remind all parents not to call to the school to drop any forgotten items to the school office as we will not accept them.

Please write a note in your son's journal in relation to any absences – please do not email the school with this information to the main office email as Form Teachers do not have access to this email.

Students are allowed on to the school premises from 8.30am only – this is to allow our maintenance staff time to check the school and open all the doors. Students are not supervised before this time therefore should not be in any school building or classroom.

In accordance with the HSE advice please do not send your son to the school if unwell or showing any signs of Covid-19 and ensure you seek medical advice.

As a school we have done really well this year and we hope our students are looking forward to getting back to school and their teaching and learning.

Happy New Year to all our school community.

Is mise, le meas,

Ms.BKearns, Principal.
