

Dear Parents

Your son has now completed 9 weeks in Salesian College and we would like to check in with you and see how he is settling in. We are inviting you to a short meeting in the school where we will address any issues you may have, and provide you with some useful tips on how to continue the positive start.

Wednesday 9th Nov at 7pm in the Assembly Hall

Mr Maguire the Year Head for first year students and myself will share some advice and tips on the following topics.

- Getting organised for class
- Punctuality
- Homework
- Behaviour
- VSware
- Study Skills
- November Assessments
- Wellbeing
- One-hour classes

We would ask all parents with your sons to attend the meeting. We will not keep you long and the information will be useful to both you and your son. It is important to continue to build on the positive start we have made so far.

Regards,

Martin Kerins
Deputy Principal

David Maguire
Year Head
