

Salesian College

Celebrating 40 years in Celbridge

“We care, develop, believe – together we achieve”

INCOMING FIRST YEARS 2021-2022

Dear Parents & Guardians,

I hope you are all well and are looking forward to your son starting his second level education in Salesian College this August.

Booklists & Uniform

Students will be notified of their subject options in June along with the publication of our booklists. We liaise with Maynooth Bookshop and The Learning Lab, Celbridge for our schoolbooks. We will also publish on our website our Book grant application form.

The school uniform is *Grey Trousers and Grey shirt & school jumper & tie & Black shoes* (Black polishable shoes only. Students are not allowed wear runners or Plimsoul style shoes. We have posted a series of photographs on our website of shoes which are acceptable and not acceptable. Please ensure you check this as students are sent home on the first day if they wear the incorrect shoes.)

Maroon School Jumper with Salesian College crest on it and Salesian College Junior Tie

This is only available from the school and must be ordered on-line through our Easypayments system. This year we ask that all orders for school uniform are made by Friday 18/06/2021. This uniform sale is organised by our Parents Association. You may change the size of the jumper or trousers on the night as we will have all the stock ready. When ordering uniform please ensure you keep the receipt for collection of uniform. We will notify all parents of the dates for uniform collection when confirmed. Please note that the school uniform is not available except through the school on the dates notified in advance. If you are unable to collect the uniform, you must organise for someone else to collect the uniform for you.

Easy Payments Plus

Easy Payments Plus (EPP) is the electronic payments system used by Salesian College to securely accept online payments with a debit or credit card. To allow you to make payments for the school uniform and other school payments, you must activate your School Payments EPP account. An activation email will be sent to your email address to assist you in doing this. Once activation is successful, you can access your School Payments EPP account at anytime to make payments, view current payments history etc. Please access Easy Payments Plus via the School Website homepage at www.salesianscelbridge.com and click on “School Payments” icon to log into your account.

For parents and guardians with a son already in the school, there is no activation action required by you as we have added your incoming son to your existing School Payments EPP account.

Please note that payment of the School Charge 2021/2022 was made at Enrolment/Registration last year via ‘Other Payments’. This is a separate Easy Payments Plus Database used to collect payments from external sources. This account should not be used to make any current school payments but can be accessed to view historical payments.

If you have any difficulty accessing your School Payments EPP account or making a payment, please email our School Bursar, ebehan@salesianscelbridge.com

Cognitive Ability Tests

We will organise these tests for all our first years during the first term once all students are registered.

Year Head & Calendar 2021-2022

The Year Head for your son is Mr. Liam Lane and all students will have a Form Teacher who they will meet every day for our daily Wellbeing Tutorial. All incoming first years will complete our Induction Programme and will meet all their teachers and Ceangail & Cinnirí student leaders during these two days. We will also post on our website the annual school calendar which will include all relevant dates for Parent Teacher meetings and whole school events. First years will start on Thursday 26th August at 8.52am.

Medical Information and Updating contact Details

We advise all parents to notify us in writing of any medical diagnosis and medication that may require administration in school by the student or in the event of an emergency, by a member of staff. I refer to our Administration of Medication policy which is available on our school website. If you have changed any details from your original registration form, please notify the school through our email system.

Contact

Office@Salesianscelbridge.com

We regularly check the school office account and we will do our best to assist with your query and appreciate any relevant information you wish to advise us of in advance of the new school year. We look forward to meeting all our new students in first year.

Le meas

Ms. B Kearns,
Principal.
