Message for parents & students

15-01-2020

Dear Parents and Students,

I hope you are all keeping well and adhering to all the level 5 restrictions.

I have a few updates and messages following our first week of on-line work:

First of all, well done.

The feedback and reports I have received from teachers, form teachers and Year heads is excellent.

Keep up the great attendance and work.

There are some small ICT / behavioral issues from students.

Dress appropriately, ensure you attend classes in a quiet and suitable location.

We ask all students to behave in classes and not to mute another student or interfere with an on-line lesson.

We can keep a record of all activity during a team's meeting so any student acting inappropriately will be dealt with.

Our code of behavior and our expected standards of behavior still apply.

Respect your teachers and SNAs who are working hard planning and preparing the lessons and assignments.

And finally

Get some exercise – please be sure you follow the PE lessons and factor in some physical training and get out into the fresh air – don't worry about the weather – wear appropriate clothes and you'll be fine.

Mock Exams

It is our plan that the mock exams will go ahead after the mid-term break.

We are working on a contingency plan and we will share this once confirmed.

ICT support

Please let us know of any support needed, we are happy to help is we can.

TY&LCA

Information videos on our Transition Year application process and LCA programme for 2021 will be posted next Friday 22nd.

Chaplaincy and Guidance Team

I thank our guidance, chaplaincy and resource department teams for their support for our students this week.

Well done gentlemen, you have done great work this week.

Thank you for your spirit and energy and willingness to do your best.

Any queries please let us know at office@salesianscelbridge.com
