

SCIENCE AT SALESIAN COLLEGE

OPEN DAY 2nd OCT 2021

SCIENCE FACILITIES

Salesian College has **four labs**, three in the main building and one in the new building.

JUNIOR CERTIFICATE SCIENCE

- Science is a mandatory subject in Salesian College.
- The Junior Certificate course is completed over three years and is divided into five areas:
 - **Physics**
 - **Chemistry**
 - **Biology**
 - **Earth and Space**
 - **Nature of Science**

JUNIOR CERTIFICATE SCIENCE

Science is studied at a common level only for the Junior Certificate.

The course also requires the completion of two CBAs (Classroom Based Assessments).

The CBAs will carry a final assessment task that will make up 10% of their final grade at their Junior Certificate.

AND AFTER THE JUNIOR CERT...?

- Science is a subject in the **Transition Year** syllabus
- At **Senior Cycle** level there are three subject choices:

Physics

Chemistry

Biology

QUESTIONS...?

If you have any further questions or need more information, please email the Science Department care of the school.
