## Supervised Study – Application Term 2

Dear Parent/Guardian,

We have witnessed excellent examination results across the complete range of abilities over the last few years. We have seen many of our students scoring 500 plus points and have seen students getting honours where they may only have reasonably expected to pass. As in previous years, it confirms our belief that those students who have a regular study routine consistently achieve and often exceed their expectations in examinations. Some students prefer the comfort of their own home to study, where other students find studying in a group provides the extra motivation that they need. At Salesian College we offer supervised study. This year we will offer afterschool study from 16:15 until 17:45 and Saturday morning study from 10:00 until 13:00. This will take place from Monday 11th January until Thursday 26th May 2016.

Places will be allocated on a first-come first-served basis. Initially, places will be offered to Sixth, Fifth and Third Year students. If after this initial offer, places are still available, remaining places will be offered to other students. However, a student's previous history in attending study and his behaviour in study in the past will also be considered. *Therefore, there may be cases where a student is refused a place in study even though his application is one of the first received.*

To apply for a place for afterschool study please

- a) complete the attached form and
- b) return the completed form to the Bursar's office

The fee will be refunded in the event that a place is not secured in study.

### FEE:

The fee for afterschool study for Jan – May 2016 is **€120.00 per student.**

The fee for Saturday morning study for Jan - May 2016 is **€110 per student.**
