

14th March 2019
In-coming 1st Years 2019-2020
Information Meeting – Change of Date
Wednesday 27th March 2019 7 pm

Dear Parents & Guardians,

I write to inform you that we have changed the date of the Information Meeting for In-coming first years to **Wednesday 27th March**.

We look forward to meeting our registered students for 2019-2020 at this meeting and introducing you to your new Year head, Ms. O'Connor.

At this meeting we will share information with you about the school journal, daily schedule, our induction programme for 1st Years during their first two days here in August, our Ceangail & Cinnirí School leaders, the school uniform, subject options and all other relevant information to ensure a smooth and positive transition from primary school to Salesian College.

Cognitive Ability Tests – Rescheduled to September 2019

We previously notified you to of the Cognitive Ability Tests we had scheduled for Saturday 6th April. We have decided for a number of reasons to complete these tests in September once the students have started in the school. We believe this is a more productive way to conduct these tests. Also it will not affect normal weekend activities for the students and family and school celebrations we have been notified about.

We ask all parents and students **to be seated by 7.00pm** so that we can start immediately. We will also take a roll of all attendees to ensure all registered students are attending in September 2019.

We look forward to welcoming you on Wednesday 27th March.

Is mise, le meas,

Ms.BKearns, Principal & Secretary to the Board of Management
