May 2024

Dear Parents & Guardians,

In the tradition of Salesian College, you and your family are cordially invited to your son’s Graduation event on Tuesday, 21<sup>st</sup> May. This is a very special event in the life of the College, and it celebrates the culmination of your son’s time in our school. We look forward to celebrating all their memories and successes as students at Salesian College. We have a small 6<sup>th</sup> year group this year which allows each student to invite 3 or 4 guests if they wish.

This event will begin at 7.00pm.

Students and guests are asked to be seated no later than 6.50 pm. Students and parents will sit together.

The liturgy begins with a Ceremony of Light.

Students will be called into the Assembly Hall to get a candle each at 6.55 pm.

Please allow time for traffic and parking.

They will then proceed into the gym, now our church for the night, with their candle creating the year 2024 at the altar. They will then sit again with their parents or guardians for the rest of the mass.

The theme for our liturgy this year is *“He believed he could, so he did”*

Your son has journeyed with us for some years now and we wish him the very best in his future life. May the blessings he brought to the College continue to accompany him into an ever-changing and challenging society. It has been a pleasure working with this year’s group and I am very proud to say that I believe they are all fine young gentlemen and will represent the very best of Salesian College. This is a night of celebration and presentation of certificates of achievement, graduation and awards and we look forward to you participating in this lovely event. Ireland will be a better place because of these wonderful people.

The wonderful Parents Association are inviting parents and guardians to provide refreshments for the event. Please bring these to the hall before 6.50 pm. We ask parents to bring cakes that can be individually served. We are looking forward to your company on this special night.

Le meas,
