1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on **15th September 2025.**

It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Salesian College admission process are set out in the school's annual admission notice and, in this policy, which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The Department of Education application portal will go live from 01-10-2025 - No applications can be made directly to the school.

The Admissions policy, Code of Behaviour, the Bí Cineálta Anti-Bullying Policy and School Information brochure, will be available on the school website and on request from the school office.

2. Characteristic spirit and general objectives of the school

Salesian College is an all-boys only voluntary secondary school with a Catholic ethos under the trusteeship of the Salesians of Don Bosco. Salesian College does not discriminate where it refuses to admit a girl applying for admission to this school.

"Catholic Ethos" in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- a living relationship with God and with other people; and
- a philosophy of life inspired by belief in God and in the life, death, and resurrection of Jesus; and
- the formation of the pupils in the Catholic faith, and which school provides religious education in accordance with the doctrines, practices, and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Salesian College shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic, and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Mission and Statement of Partnership

Salesian College was established in 1981. The school is a single sex boy's only voluntary secondary school. The school community consists of students, teachers, staff, parents, management, trustees, and partners in the local community of Salesian College, Celbridge.

Salesian College follows the Department of Education and Skills (DES) national curricula and programmes including the Junior Certificate, DES Transition Year Programme (optional and on application only, with a limited number of available places), Leaving Certificate Applied (at the discretion of the Board of Management), Leaving Certificate Vocational Programme (at the discretion of the Board of Management) and Leaving Certificate.

The ethos of the school was passed on by St. John Bosco, the founder of the Salesian congregation. In short, the essence of this Spirit is to create good Christians and honest citizens.

The ethos of the school has its origins in the work and educational system of the founder of the Salesians. In the Salesian educative approach, known as the Preventive System, the educator has a special place and a particular responsibility for the educative relationship that is established with the young person and for the learning environment itself. This relationship draws on the Salesian principles of Reasonableness, Religion and Loving-kindness.

By seeking to be reasonable in our dealings as educators with the young it is believed that the young will be encouraged to be reasonable in their dealings with each other and authority. Our teaching sets out to encourage student openness to differing experiences and the development of appropriate skills in critical thinking and values. In a Salesian heart there is always a place for joy and hope. The Christian story is to be told and celebrated, as is daily life. Gospel values, and their practice, pervade the whole school, its teaching-learning processes and its community of relationships. For inspiration on loving-kindness, we look to the image of Jesus the Good Shepherd, the one who knows his flock and leads them to fresh pastures, the one who goes in search of the lost sheep and the one who even in the moments of great darkness and pain can forgive and hope because of his own trust in a loving God. Such is the model of our relationships with our pupils.

This relational approach requires all stake holders – parents/guardians, teachers, students, the Minister for Education and Skills and his/her agents, and trustees to respect each other, be responsible and cultivate a caring community.

The aim of Salesian Education is to create an environment which is warm and hospitable within which young people can experience a fully human, spiritual, and educational formation.

The school endeavors to have at its core the key elements of the Salesian ethos. The school strives to ensure that these elements guide its work and help to influence the education of its students.

SCHOOL MISSION STATEMENT

"We care, develop and believe - together we achieve."

The staff of Salesian College is committed to creating a caring environment, to fostering respect for self, for others, for all creation and for truth, to help each member of the school community to develop fully, and to providing students with the skills that they need to meet life's challenges with confidence.

Process

- Application opening date **Wednesday 01-10-2025**
- Deadline for completion of on-line application Wednesday **22-10-2025**.
- Letters of offer and Registration Form – **Wednesday 12-11-2025**.
- Completed Registration Forms deadline – forms must be returned by **12.00 p.m. noon Friday 21-11-2025**.
- **Completion of this application form on-line or hard copy does not equate to a place in the school being secured or registration with the school.**
- The Department of Education will advise Salesian College of all applications received via the on-line portal following the deadline of 22-10-2025.
- These on time applications will be processed by the school office in order from Criteria A to Criteria E.
- In the event of oversubscription for available places in any criteria category, a lottery will be conducted under the supervision of an Independent Assessor i.e. A Peace Commissioner, a Local Solicitor, Public Notary. In attendance at this lottery will be the Principal or Deputy Principal(s), a member of the Board of Management and a representative from the Parents Association.
- The Board of Management will determine the number of places available in advance of the Open Day and this number of available places will be posted on the Annual Admissions notice.
- The lottery will be conducted as follows:
 - The applications will be sorted in the criteria A-E
 - The names of applications in Criteria A will be placed into a draw.
 - The Independent Assessor will draw out individual names until the number of available places are filled.
- The remaining names will then be drawn out and the order in which they are drawn will equate to their waiting list number:
 - Sample
 - Criteria A
 - 150 Criteria A applications
 - 100 places in available
 - 150 individual names will be placed in the draw.
 - The first 100 names drawn will be assigned to the 100 available places.
- Waiting list – 50 Criteria A applications remaining:
 - 50 individual names will be drawn one after each other.
 - A record will be kept of their number
 - 1st name drawn -= No. 1 on the waiting list

2nd name drawn = No. 2 on the waiting list and so on.

- Criteria B - E Applications
- A follow-on draw for applications in Criteria B-E will be held to continue the waiting list.

Applications from twins & triplets or other multiple births

- An application form for each person must be completed.
Twins = 2 application forms to be completed
Triplets = 3 application forms to be completed
- Parents / Guardians of twins / triplets / multiple births will be asked to indicate this on the application form i.e. tick the box if the applicant is a twin / triplet etc.
- In relation to the school having to hold a lottery due to oversubscription the following will apply to twin / triplet / multiple births applications:
In the event of one name been drawn for the admissions list, the other sibling will also be assigned a place as well.
In the case of this application being the last available place, the second sibling / third sibling name will be placed on the waiting list number 1 and two and so on.
- This applies only to applications for enrolment in the mainstream.
- **It does not apply to applications for our ASD class.**
- This will only apply if the multiple birth applicants qualify for the same criteria.
- *Sample:*
Twins = Criteria A
For the purpose of the admissions lottery if one name is drawn out both applicants will be assigned a place.

Twin/Triplet applications but qualifying for different criteria

- In the event of applications from twins / triplets who qualify from different criteria:
Sample:
Twins
 - Criteria A = 1 sibling
 - Criteria B = 1 sibling
- In this scenario, both applications will be treated as **separate applications** and will be assigned their admission or waiting list number in their separate criteria categories.
- If Criteria A sibling's name is drawn in the lottery for admission, the Criteria B sibling will not be assigned a place automatically.

- The available places will be filled first of all from Criteria A applicants.

Applications to the ASD class from twins/triplets

- There is a separate application process for our ASD classes.
- As there is different eligibility criteria for the ASD class, applications from twins / triplets will be treated as individual applications.
- The automatic assignment of a place in the event of a lottery being held does not apply to the ASD class, Sample:

In the event of oversubscription for the allocated number of available places in the ASD class a lottery will be held.

- Twins = Criteria A
- Sibling 1 = Mainstream application
- Sibling 2 = ASD class application
- Complete and separate processes / complete and separate applications.
- The available places will be offered and allocated in the waiting list order starting with Criteria A, B, C, D, E and so on until all available places have been allocated.

- Parents/Guardians must click the specific ASD class application section on the Department of Education portal for their application for a place in the ASD class to be valid.
- In the event of oversubscription the school will apply the same criteria A-E as outlined above in the processing of applications.
- When making an application to the ASD class, it is understood and accepted that the parent/applicant understands that they are applying for a special designated class **only. This is not an application for a mainstream place.**

- An application to our ASD class is an application for this specific educational setting only.
- Whilst registered in the ASD class it is the school's educational approach to integrate students into mainstream classes where appropriate.
- Students in the ASD class will participate in all school activities.
- Salesian College ASD classes are not high dependency unit/ classes/ settings and students will not be in a restricted environment.
- Students will be registered with the relevant year group, 1st – 6th year.

- Any form of communication i.e., phone call, conversation with members of the Additional Education Needs Department, discussion with Special Education Needs Officer (SENO), meeting with any members of staff, visit to the school, or recommendation from any external agency or person does not equate to "a reasonable expectation" that a place in our ASD class will be offered to an applicant. Such scenarios do not equate to an application to the school.

- In accordance with Circular 39/2025 all applicants to the ASD class must include the following documents with their application – and at the time of application:

- **Applicants to the ASD class must include these documents at the time of their application on the Department of Education portal.**

- **Salesian College is a mainstream post-primary voluntary secondary school with two designated ASD classes.**
- **Salesian College is not a special school.**
- Integration of students registered in the ASD class into the mainstream is the educational and social priority of Salesian College .
- Although students formally registered in the ASD class will have their own specific base classroom it is the school's policy, when appropriate to the students' learning, for students to attend mainstream classes both with and without SNA support.
- By applying for a place in the ASD class parents & guardians authorise Salesian College to contact the stated present primary school in advance of any consideration of the application to confirm and assess the information in the submitted educational/psychological reports from the parents/guardians presented to the school following their application.
- Refusal of an application means refusal to consider an application.
- Refusal to consider an application will result in a refusal to enrol.
- Because of the particular requirements in the running of the ASD class, and as a result of the lack of available places in the Celbridge, Ardclough & Straffan area, in the event of oversubscription for available places from any criteria category (A-E as listed above) for our ASD class, a lottery will be conducted under the supervision on an Independent Assessor i.e. A Peace Commissioner or a local Solicitor or a Public Notary to draw up a waiting list for our ASD class. In attendance at this lottery will be the Principal or Deputy Principal(s), a member of the Board of Management and a representative from the Parents Association.
- As a place in our ASD class becomes available the school will offer this place to the student on the waiting list.
- **This waiting list is for the ASD class only.**
- The available places will be offered and allocated in the waiting list order starting with Criteria A, B, C, D, E and so on until all available places have been allocated.
- Late applications (F) from any criteria category will be processed at the end of this process.

- In consultation with parents/guardians Salesian College may request the Department of Education and Skills to provide necessary resources e.g. special needs assistant, specialized equipment or furniture, transport etc.
- It is noted that it may take some time for the Department of Education and Skills to process such applications. This may impact on the commencement of attendance of a student to the school.

Late Applications

- All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act. A late application is an application which was not formally made through the Department of Education online portal by **Wednesday 22-10-2025**.
- **The Department of Education on-line portal will not accept late applications.**
- **Late applications can only be made directly to the school.**
- Late applications will be processed as follows:

14. Procedures for Admission of Students to other years and during the School Year – Applications for Registration in Salesian College for 2nd, 3rd, 5th & 6th Year

- An application to transfer is defined as one from a student who has previously registered in another second level school or from a student who makes an application after the commencement of the academic year. It is not the policy of the Board of Management to accept transfer applications from students already registered in local post-primary schools, other than in exceptional circumstances.
- While it is appreciated that in certain exceptional circumstances transfers are unavoidable (e.g. a change of residence or a family moving into the area) as a matter of general policy transfers into the college are discouraged in the overall interests of the continuity of the student's education.
- Applications outside the normal school term time will be considered only in exceptional cases and will be considered on an individual basis by the Board of Management.
- Salesian College is closed for summer holidays (normally by the end of Leaving Certificate Examinations in June until the issuing of the Leaving Certificate results, normally the second week in August). Mid-term breaks, Christmas and Easter holidays. Applications made to the school when the school is closed for holidays will only be processed on the re-opening of the school and the availability of the Principal/Secretary to the Board of Management.
- All applications must be made in writing to the Board of Management and are subject to the school's Admission policy and available places.

- Applications must be made on the official application form which is available from the school office.
- Applications from students wishing to transfer into the college should be accompanied by a letter setting out clearly the reasons(s) for the application and the following documentation should be supplied:
 - Completed application form and the required documentation as outlined below.
 - All available academic reports from the student's current/previous school.
 - A completed Transfer Report Form from the current/previous school, this is available from Salesian College.
 - The school also reserves the right to request a confidential reference from the authorities in current/previous school(s).
- Once all the required documentation is received by the school, the application will be deemed to have been made, and this date will be recorded as the application. The application will be considered at the next scheduled Board of Management meeting.
- In general, it is the policy of the Board of Management not to accept transfers during the school year. However, in the case of a student whose family has moved into the catchment area, and who are not registered in another post-primary school, applications will be considered. Students wishing to register in an examination year will not be accommodated in the current examination class unless the student already has subjects compatible with the curriculum in Salesian College and can be accommodated within the class size.

- a) an application for admission of a student to the school, or
- b) the admission or continued enrolment of a student in the school.

16. Arrangements regarding students not attending religious instruction.

Salesian College offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, religious education supports the vision our school proposed by the Catholic and Salesian Ethos of a welcoming school community where students from all backgrounds can attend and fulfil their potential. As a subject, religious education provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between ‘religious education’ and ‘religious instruction’:

- Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
