Dear Parents & Guardians,

On behalf of the Parents Association, I would like to invite you to our Annual General Meeting which takes place on Tuesday next, 8th October at 7.15pm in the school.

At this meeting we will give a report on our work here in the school for our sons and all students in the school as well as a financial report on how funds raised for the Parents Association are spent. At this meeting you will also have the opportunity to meet with other school parents and guardians.

Each year for our AGM we invite a guest speaker to present to parents and guardians on a suitable and relevant topic. Over the years we have organised guest speakers who presented on Internet safety, positive mental health for teenagers and adolescents and parenting to name but a few.

This year we are delighted to announce that our guest speaker next Tuesday will be Mr. Daniel Davey.

Mr. Daneil Davey is delighted to make a presentation that will be relevant, and specifically for parents. We hope this presentation will be of interest to all our parents and guardians as we endeavour to support their holistic education.

On behalf of the Parents Association, it would be great to see as many parents and guardians as possible and in particular parents of new students to the school attending
