Salesian College Parents Association -

Annual General Meeting - Tuesday 13th October 2026 - 7.15pm

08-10-2026

Dear Parents & Guardians,

On behalf of the Parents Association, I would like to invite you to our Annual General Meeting which takes place next Tuesday 13th October at 7.15pm in the school. This will be an important meeting for as many parents as possible to attend.

At this meeting we will give a report on our work here in the school for our sons and all students in the school as well as a financial report on how funds raised for the Parents Association are spent.
You will also be asked to nominate and elect our new representatives for the Board of Management which will begin a new term of office in October.

Each year for our AGM we invite a guest speaker to present to parents and guardians on a suitable and relevant topic. Over the years we have organised guest speakers who presented on Internet safety, positive mental health for teenagers and adolescents and parenting to name but a few.

This year we are very fortunate in having secured a presentation from our guest speaker **Dr. Mc Cashin, Assistant Professor of Psychology, Dublin City University Anti-Bullying Centre to speak to parents about the impact of masculinity influencers and online content on teenage boys**.

In a very busy and influential social media world I believe such a presentation would be very valuable and informative for all our parents and for our children.

We would be very grateful if you could complete this very short and easy survey for us:
