

## **SALESIAN COLLEGE CELBRIDGE**

### **School Closure 29-04-2026**

27-04-2026

Dear Parents & Guardians,

We have been notified today that, due to works being carried out on behalf of Uisce Éireann, the school will not have a water supply on Wednesday, 29th April.

Following consultation with the Chairperson of the Board of Management, it has been determined that, on health and safety grounds, the school must close for that day.

All students will be advised to attend classes online as normal, and they should follow their usual timetable. Between today and tomorrow, teachers will provide instructions to students on how to log in and access their online classes.

We hope this will be the only unplanned school closure and we thank you for your cooperation and understanding in this matter, which is outside of our control.

Is mise, le meas,

Ms.B Kearns, Principal,  
Salesian College
