

## Salesian College

Celebrating 40 years in Celbridge

"We care, develop, believe - together we achieve"

Salesian College Parents' Association

Fundraising for our Annual Sports Day BBQ.

13-03-2025

Dear Parents & Guardians

On behalf of the Salesian College Parents' Association, I am reaching out to seek your support for our upcoming **Sports Day Fundraising BBQ**, which will take place on **Tuesday, 13th May**.

This annual event is a highlight of the school year, bringing together students, teachers, and families to celebrate the spirit of sportsmanship and community.

To make this event a success, we are aiming to raise **€5000** to cover the costs of food and drinks for all our students. The funds raised from this event directly benefit all students at Salesian College, supporting a variety of educational, extracurricular, and wellbeing initiatives throughout the year.

These are just some of the initiatives our Parents' Association sponsored this year:

- First aid presentations to all students from St. Johns Ambulance,
- Guest speakers for the "Wellbeing week" which focuses on anti-bullying and positive behaviour.
- Ceangail & Cinnirí Student leadership programmes.
- New sports equipment for our teams representing the school in hurling and soccer and Student Golf Team in the annual Golf Classic held in Killeen Golf Club in May,
- On the opening of the new Science laboratories the Parents' Association sponsored the Leaving Certificate Biology experiments training in Maynooth University.
- Sponsorship of the new Le Chéile building art project competition prizes.
- New musical instruments for our Music Department.

We are reaching out to parents and guardians who may work for organisations, businesses or corporate bodies that may have a **Corporate Social Responsibility (CSR) budget** dedicated to supporting community-based initiatives.

We would be most grateful if you would ask your organisation if they would consider sponsoring our Parents Association BBQ?

We would be delighted to acknowledge your generous support through promotional opportunities at the event, including banners, social media mentions, and recognition in our school communications.

If you or your organization could help the Parents Association in any way, please do not hesitate to contact us at [salesianparentsassociation@gmail.com](mailto:salesianparentsassociation@gmail.com). We would be happy to discuss sponsorship opportunities in more detail.

Thank you in advance for your time and consideration. Your support for the Parents Association will make a real difference in enriching the experiences of our students at Salesian College.

We look forward to hearing from you soon.

Warm regards,

Dr. Rebecca Griffin

Chairperson

Salesian College Parents' Association
