

SALESIAN COLLEGE

"We care, develop and believe - together we achieve."

Dear Parents/guardians,

We are currently planning a meeting for parents of our 3rd year students who are interested in doing Transition Year in the next academic year. The hour-long meeting will be on **Wednesday 29th January at 7pm** in the main assembly hall of Salesian College.

There will be a presentation outlining the Transition Year Programme in Salesian College. We will explain the application process, the important dates involved and of course the fees for the year. An application form will be on to your son's Microsoft Team and must be submitted by **Friday, February 7th at 5pm**.

The interviews will take place in the school during the week after the mid-term break, starting on **Monday, February 24th**. We hope that you can attend as it is an important presentation. A TY Programme booklet and all information relevant to the programme will be available on our school website. At home we hope that you will discuss all elements of the TY Programme in Salesian College, to help your son make an informed decision regarding the next academic year.

We look forward to seeing you next.

Kind regards

Ailish O'Toole
